Date January 23, 2014

To: Oasis Owners.

This letter is to inform you that I remain one of your directors. There was no noticed board meeting to appoint my replacement, per our bylaws, specifically section 8, on December 24, I exercised my prerogative and **withdrew my resignation in writing** and remain on the board. I did this by email and certified US mail. I received my certified mail receipt on December 28.

December 24 was also the deadline for the rescheduled organization meeting that Brenda Moskowitz, M&M Property Manager, committed to do within 10 days following the December 14 meeting, but failed to do so and missed the 10 day Oasis bylaw requirement.

Oasis bylaws also require the new board elect officers for the following year *each year* at the organization meeting. Since the meeting has not taken place *Oasis is without its 2014 officers.*

You should also know that Leonard Martin is no longer President of Oasis. His term in office ended on 12/14/13, so he incorrectly continues to represent himself as President of Oasis.

It has been one month since I withdrew my resignation without any action taken. My request to have a rescheduled organization meeting notice sent to you providing the date and time for Judith Nadel, Tom Cowden, Jay Szaras, Ed Will and me to meet to select the Oasis officers for 2014 and to move on with other association urgent business, ***continues to be ignored.***

My goal is to bring long overdue transparency to Oasis board business by conducting it at noticed meetings open to the membership for all to observe and question board actions.

I RUN TWO SUCCESSFUL BUSINESSES HAVE MY MBA AND I AM TOTALLY QUALIFIED NOT ONLY TO BE ON THE BOARD, BUT ALSO TO BE TREASURER AND OR PRESIDENT OF THIS COMMUNITY SHOULD THE OTHER BOARD MEMBERS CHOOSE TO APPOINT ME.
