Marsy's Law CVI FL. Const. Art.1 § 18(b)

**NARRATIVE:**

On 6/20/23 at approximately 1345 hours, I met with [REDACTED] and her lawyer, [REDACTED] ESQ, at the Palm Beach County Sheriff District 9 Office, 11498 Okeechobee Blvd, Royal Palm Beach FL 33411. They came to report that [REDACTED] was sexually harassed by her employer.

My interview with [REDACTED] was in Haitian Creole. Her lawyer also spoke Creole. [REDACTED] explained she was employed as a housekeeper at [REDACTED]. She said she started working there at the end of January 2023. Her work hours were from 0800 hours to 1600 hours, making \$14 per hour. She said later on when she was not accepting her [REDACTED] sexual advances, that [REDACTED] reduced her hours to five. She told me she got the job through a friend who was leaving that position, and passed it on to her.

She said sometime in February, her [REDACTED] later identified as [REDACTED] used a translation App to ask her to perform a massage on him, which at first she thought he meant "message". When she asked him to clarify, he told her "you do me and I do you". [REDACTED] stated she told the [REDACTED] she did not accept that proposition. She said he did not talk to her until about a week later, when he sent her a message telling her he was going to take her to clean one of the condos. [REDACTED] stated [REDACTED] drove her to an empty condo, on his golf cart. When they got there, he went inside the bathroom, came out naked, handed her some oil, and asked her to massage him. She said she told him no; he got mad, put his clothes on while saying some English curse words. [REDACTED] told me [REDACTED] was giving her attitudes after that episode, not greeting her back after she'd say hi, by bumping into her on purpose, acting like he did not see her, stepping on her foot.

[REDACTED] stated about two weeks after that incident, she decided she would start recording [REDACTED]. She said [REDACTED] asked her if she still did not want what he had asked her and she said no. [REDACTED] stated the day after that conversation, he drove her to the same condo, got naked, made a bed on the floor with some sheets. She said she was so in shock he was doing the same thing again, that she started shaking. She stated she sat in a corner and started recording with her phone. She stated [REDACTED] started pulling on her to join him on the makeshift bed. She said as he was pulling her hand, her hand was coming in contact with his penis. She said she kept saying no. She said after he kept trying to lift her up, and she kept saying no, he stopped. She said he put his clothes back on and drove her back.

[REDACTED] stated [REDACTED] used the translation App and told her that he was the boss, and he was the only one who could get her hired or fired. According to [REDACTED] [REDACTED] told her there was a former employee whom he

fired because she was refusing to give him massages. He told her the only reason he did not let her go yet was because of her work ethics, but one day, he might just get upset and fire her. [REDACTED] told me she answered that he could fire her right away, that she would not have sex with him. She said the next day, [REDACTED] showed her a letter that he claimed an employee wrote him, telling him that she wanted to make more money and that she was willing to give him massages. [REDACTED] said that [REDACTED] offered her \$25 for her to have sex with him and she refused to take the money. She said one time he took her to one of those condos where the owner was about to travel. She said the owner of that condo gave her some food; then [REDACTED] told her he could have had someone else get the all that food, but he chose her even though she was still refusing to have sex with him. She said she left the food at work. She said one time, after the owner of that condo left, [REDACTED] took her to that condo to clean. She said as soon as he got there, he took off his pants and started masturbating in front of her. She said she took her phone to take pictures of him and he threatened to kill her by making "throat cutting" gestures. She stated after he threatened her, she told him she was not going to take pictures of him. She said he then offered her \$40 which she refused. She said as they were walking back after that episode, [REDACTED] spit in her direction. She said one spit landed on her foot.

I asked [REDACTED] if she did not try to report what [REDACTED] was doing to her to anyone, she said no because she thought he was the only "authority" at the job. She said she told another Haitian who worked there named [REDACTED] a landscaper, that [REDACTED] was trying to sleep with her. She said [REDACTED] advised her to leave the job, but not to get the police involved so she would not get in trouble. [REDACTED] told me she had a conversation with [REDACTED] the lady who passed that job to her. She said she told [REDACTED] that [REDACTED] said [REDACTED] used to have sex with him but [REDACTED] was refusing. [REDACTED] told me that [REDACTED] denied that and never spoke to her again.

She stated sometimes [REDACTED] would ask her to clean tall shelves, and he would come behind her, slap her butt, rub his front against her butt. She said he would have a hard on and would dry hump her. [REDACTED] stated he had never touched her vagina but he had tried. She said there was no camera inside the office.

She told me sometime during the second week of May 2023, when she got her immigration work permit, she went to [REDACTED] office to show it to him. She said he started touching her breast and she said no. She said he refused to take the work permit from her. She said she was getting paid in cash, and he would just throw the envelop at her. She said he told her as she was refusing his proposals, he was reducing her hours from eight to five, which he did. [REDACTED] stated that [REDACTED] kept the same behavior going: getting naked, trying to have sex with her. She said it happened so many times that she could not give me an estimation. She said during her last week at the job [REDACTED] took off his pants and told her to clean his penis. She said as she was about to pull her phone out to take his picture, he threatened her by making "throat cutting" gestures. She said she realized that her life was more important than the money she was making there, so she stopped going to that job.

[REDACTED] lawyer [REDACTED] stated they wanted to prosecute [REDACTED]. Mrs [REDACTED] told me she had pictures, videos, messages and documents related to the case, that she was going to send me a timeline of everything. I explained Marsy's Law to [REDACTED] and she invoked her rights for her information to remain private.

After my initial interview with [REDACTED] who was accompanied by her lawyer, [REDACTED] I sent a community request to Mrs [REDACTED] for any evidence they had in this case. On 6/21/23 I received 16 pieces of evidence, all uploaded in Evidence.com. They were as follow:

- 1 - A picture of an employment verification letter dated 6/1/23, signed by [REDACTED]. The letter stated that [REDACTED] was employed by the [REDACTED].
- 2 - A picture of a business card: [REDACTED] Property Manager, [REDACTED].

### NARRATIVE CONTINUATION

3 - A picture of a letter written in English and translated in Haitian Creole. The letter says: "I was a pleasure to meet you yesterday. My name is [REDACTED] like I said I come from Haiti. I speak Creole, some English and Spanish. Thank you for showing me around the clubhouse, it is beautiful. I have been in the United States for one year. I work in hotel but the pay is not good. I can clean bathrooms, toilets, sinks, showers, floors, mirrors, doors, walls, stock supplies, clean sauna and steam rooms. I know what chemicals to use on mirrors and wood floors. Yes, I do want to make side money cleaning units. I will also give massages like you asked after you take a hot shower and will jerk your penis until you climax no problem. Just be very discreet. You said that I have to meet [REDACTED] the property manager tomorrow. That's ok with me. I will call him in the morning. Thank you." To put in context, [REDACTED] had explained that letter was showed to her by [REDACTED] one of those days after she had refused one of his sexual advances. According to [REDACTED] wanted to show her that there were other potential female employees who were willing to give him "massages".

4 - A seven minutes and 17 seconds long video recorded on [REDACTED] cellphone that showed [REDACTED] using a sheet and two pillows, putting together a makeshift bed on the floor. He was naked wearing only socks. Then he started pulling [REDACTED] up, trying to drag her to the makeshift bed, as she was sitting on the floor. She was saying in Creole, "no, let me go". He was insisting, saying he'd help her up, and she kept saying let me go (lage m in Creole). [REDACTED] said in Creole in the video, that she was not his wife, nothing to him, and that he was standing there naked, asking her to give him massages. She said she told him she would not give him massages. She said she didn't know how to give massages, that people went to school to learn how to give massages. She was questioning [REDACTED] in Creole while [REDACTED] was telling her he did not know what she was saying. Then [REDACTED] said they could leave if she wanted to; he said she told him to take his clothes off, and she answered not me in Creole. She continued on to say that many times he'd ask her to perform massages and she'd say no. She said, talking to [REDACTED] that he did not even tell her where he was taking her, and he brought her there. She said the prior Monday, he took her there and she said no, and he brought her there again. She said had she known he was going to do that again, she would not have come. [REDACTED] said, in the video, that he was dressed and she told him to take his clothes off. She asked him in Creole if he wanted to have sex with her, and he answered he did not understand. She told him he could have been her father, her grandfather. She continued saying that she told him no, that she had her husband, and she asked him if she needed to scream for help for him to stop. He said he was dressed and she was the one who told him to take his clothes off. He said if she wanted to leave they could leave. She asked if law enforcement knew what he was doing, that he should ask his wife for massages. The video ended with [REDACTED] saying he had his clothes back on, for them to go back to work.

5 - A four minutes and 46 seconds long cellphone video showing [REDACTED] laying on the floor, on a makeshift bed, naked, with a towel covering his front, and [REDACTED] standing talking to him. She said in Haitian Creole that since she started working there he'd been asking her for a massage. She said multiple times he took her to the room and she told him no. [REDACTED] answered that the day before she said yes. She said she told him no, that she did not do stuff like that. She had him read something from his phone and asked her to say yes or no; she said no. She said many times he asked her and she said no, that he could be her father. She said she was not there for that type of stuff. [REDACTED] said that the day before, she said yes and they shook hands. She said he asked her to touch him, to touch his front; she said no she had a husband, that she was not there for that. [REDACTED] got up, and said "this, no more", referencing to the makeshift bed and [REDACTED] kept saying no, that she was there to clean. [REDACTED] again said that [REDACTED] said yes the day before. [REDACTED] again said that on Monday [REDACTED] took her there and she said no, then he got mad at her. She said when she got hired, it was to clean. She said since the beginning he asked her about massages and she said no. She said on the video that was injustice. The video ended when [REDACTED] walked into a room and closed the door.

6 - An eight minutes 53 seconds long video showing [REDACTED] opening a door to what appeared to be an empty condo. [REDACTED] was saying in Creole she didn't know why he brought her there. [REDACTED] was laughing, asking her what was the matter with her, asking her to relax, to loosen up. [REDACTED] said she was there to work, that [REDACTED] was not telling her what to do, that he was just standing there, dancing, moving his hips, and she asked him if she was there to vacuum. He kept saying boom, boom. Then he said "I want you to play with my cock", while standing in front of her. She said no, not me in Creole, which [REDACTED] thought she was saying money. He

## NARRATIVE CONTINUATION

asked her to type what she was saying in Creole. Then he gave her instructions where to vacuum. [REDACTED] then asked her why she was giving him problems, that he thought they were friends, that they kissed and hugged.

7 - A 17 minutes and 52 seconds long video that started with [REDACTED] cleaning what appeared to be an office, and having a conversation with [REDACTED]. Then [REDACTED] started asking [REDACTED] why he was dry humping her. She was saying he had a hard on, and he was rubbing it against her butt. She told him to stop. He told her she needed to relax, that she needed to play. She was telling him not to touch her butt, and he was saying nice, referring to her butt.

8 - A three minutes and five seconds long video, recorded on 3/30/23, showing [REDACTED] walking into a condo, and [REDACTED] following him. After he answered a phone call, he asked [REDACTED] what did she want to do, if she wanted to do this. She answered she did not understand in Creole, and [REDACTED] had her repeat herself, to teach him how to say it in Creole. Then he said they were there not for this, referring to cleaning the condo, but for this, while grabbing on to his penis. Then he asked her if she wanted him to take it out (referring to his penis). Then he gave her instructions what to do as far as cleaning.

9 - A three minutes and 44 seconds long video, recorded on 3/16/23, showing [REDACTED] naked, trying to take the cellphone from [REDACTED]. He said let's forget it. Then he said to [REDACTED] that she told him to come, then she did not want to do anything, that she could just leave. He said he knew what she was trying to do. He said that was not working out and he handed [REDACTED] his cellphone for the translation of what he had just said. He started masturbating. He asked her if she understood for them to leave. He then asked her to masturbate him. Then he got dressed while saying she was the one who told her to come there.

10 - A picture of [REDACTED] cellphone screen, with Google Translate open. It says "Okay no more waiting after you clean this office and you are going to go to the unit and you know what I want I want you to do that to me today". That message was translated from English to Haitian Creole on Google Translate.

11 - Another picture of [REDACTED] Cellphone screen, with Google Translate open. It partly says "just mad at you cuz you won't... give me a massage and I go well to... bad you get your own person to... do that and you're not doing that".

12 - Another picture of [REDACTED] Cellphone screen, with Google Translate open. It says "okay like I said I am the boss here so I get the final decision so let's cut through the bullshit and and no more lies and tell truth to each other we want I want to work together with you you know what I want from you I want one thing from you with your hand that's what I want if you do that will have no problem and I wanted every two weeks".

13 - Another picture of [REDACTED] cellphone: "But they don't see what you do I see what you do cuz you work with me you work in the office you work outside and sometimes you work outside with [REDACTED] so I'm the boss it's my I get the last decision".

14 - A picture of someone standing, with a note that has the number 25 on it. According to [REDACTED] and her lawyer, that was [REDACTED] offering [REDACTED] \$25 for sex and she refused.

15 - Another picture of [REDACTED] cellphone with Google Translate open. It says in part "no problems cuz if we have a problem you going to make me angry and I'm going to get mad and I'm not going to treat you good in here". In the Creole section of this, it says that he wants to find a key to a unit, then she knows what he wants then she's going to do it for him then they won't have a problem...".

16 - Another picture of [REDACTED] cellphone with Google Translate open. It says "Okay I'm going to talk to you when I don't want the truth and I'm going to give you the truth next week we go to La Casa you and I and we just keep it between me and you and no one else know [REDACTED] no [REDACTED] no one else and you know what I want are you going to do what I want".
